

# COZY AT HOME

## MEN'S SIGNATURE COTTON FISHERMAN SWEATER

Our favorite part of this Irish-inspired fisherman's sweater is the authentic stitchwork - it gives it rich texture and a timeless look. We also love how the all-cotton construction easily spans the seasons and layers comfortably.

## MEN'S WICKED GOOD MOCCASINS

With over 4 million pairs sold over the last 5 years, it's clear customers think our Wicked Good Slippers deserve the title of Best Slippers Ever Made. Why are they so popular? There are a few reasons but at the top of the list is the most cozy shearling you can find. Throw in superior construction using premium sheepskin and you'll know why in Maine, "Wicked Good" is as good as it gets.

## MEN'S SCOTCH PLAID FLANNEL SHIRT

For over 80 years, we've been making our authentic Scotch Plaid flannel shirts the way we always have: better than everyone else's. Our exclusive flannel fabric is meticulously woven with longer-staple cotton, which means the individual cotton fibers are about one-quarter inch longer than short-staple fibers, making a huge difference in fabric strength and quality. Then, it's meticulously brushed eight times on each side and given a "touch test" by a master weaver to declare it soft enough.

## MEN'S WAFFLE ROBE\*

Our cozy yet lightweight waffle robe is comfortable year-round, and just right for lounging. Made with an ultrasoft cotton/polyester blend that's ideal for layering.
